WHO WE ARE

We specialize in producing high-end, eco-friendly chairs, tables and garden furniture sets. Our commitment to sustainability is at the forefront of everything we do, from the materials we use to the processes we employ.

We understand that our customers value quality, durability, and style, which is why we only use the finest materials and craftsmanship techniques to ensure that our furniture stands the test of time.

At our factory, we believe that luxury and sustainability can go hand in hand.
